CLUB NOTES

Season 1962-63 opens at Deepdale with a visit from Norwich City who first visited this ground as recently as March this year. Our visitors were originally members of the old Southern League from the year of their inception in 1905 until 1920, when they helped to form Division Three of the Football League competition. From 1921 until 1934 they figured in League Three South, champions in that same year when North End won promotion.

Norwich City were duly relegated in 1939, and promoted again to the Second Division in 1960.

Last season Norwich City won the Football League Cup by disposing of Rochdale in the two-leg Final.

Last and first time at Deepdale for the "Canaries" was on March 30th 1962, on the occasion of a Friday evening kick-off innovation. The first half proved to be a colourless and goalless affair, but after the interval North End exerted supremacy with goals from Alston (75 mins.) and Dawson (81 mins.). *North End:* Barton; R. Wilson, Ross; Wylie, Singleton, Smith; Alston, Biggs, Dawson, Spavin, Thompson. *Norwich City:* Kennon; Thurlow, Ashman; Burton, Butler, Millett; Savino, Crowe, Scott, Hill, Lythgoe.

PARKING OF MOTOR VEHICLES

All football supporters are asked to co-operate with the police and fire services in traffic matters near Deepdale. Large car parks exist within a short distance of the ground and more use ought to be made of them. Indiscriminate parking, often on both sides of narrow streets, is an undesirable hazard to the safety of lives and property. In an emergency these conditions would seriously interfere with fire engines, ambulances and police vehicles. Your co-operation in this matter would be appreciated.

Dear Supporters,

As you have probably read in the newspapers an effort is being made to form a Supporters' Club in Preston. I have been asked to be Chairman and my colleague Ken Horton to act as Secretary. This we have agreed to do, but to make it successful we must have your loyal support.

You are all aware of the difficult times that many football clubs are going through. The extremely high running costs with a falling off in gates has resulted in a situation which spells ruin for first class football unless money can be obtained.

My first love in football is Preston North End and there must be many thousands of you with similar sentiments. We don't want to see this famous club lose any of its former glories but if we are to return to the high standard for which P.N.E. are universally famous then the financies of the club must be made secure. That is the role of the Supporters' Club, to work to relieve the management of the constant worry of balancing the budget.

I therefore appeal to you to rally round, join today, let the committee know that you are concerned about the future of P.N.E. and are prepared to do something worthwhile about it.

Yours in sport,

Tom Finney

A Letter to Supporters . . . .

In forming a Supporters' Club we hope to raise funds for P.N.E. and to do this we require a willing band of agents who are prepared to collect pools ticket money. If we can get sufficient membership and if all members will take a few tickets then the income is assured. The prize money of £50 per day for the winning ticket is attractive and the committee considers that with a good organization and leadership this Supporters' Club can be as successful as any in the country.

It is intended to form a Social Committee with a club-room and amenities to make the membership worthwhile. Given the encouragement from the public a club to be proud of can quickly materialize. You will be regularly informed of the various activities through this programme and the press so watch out for the early announcement of the Pools Scheme.

Rally round, JOIN NOW, and let's try to put P.N.E. back at the top. With your help it can be done.
